## About Us

Insurance Risk Managers of MO, Inc. (IRM) was founded in 1996 by Novis Adkins and Pat McAleenan after more than 20 years specializing in Moving & Storage Insurance Coverages.

Some of their most noteworthy achievements include their participation in the creation of the United Van Lines / VanLiner agency program and the Atlas Van Lines Owner Operator W/C Program.

Together Novis and Pat set out to become one of the nations top Moving & Storage insurance agencies and, by any standard, they've succeeded!!

IRM currently represents several insurance companies that are committed to providing customized insurance solutions that are designed specifically to our clients needs.

Call us today to join some of the largest movers in the industry at IRM. With our dedication to Excellence in Service and to insuring the Moving & Storage Industry we will make your move to our agency one of your most rewarding!!
